The City Street Fund is funded primarily by 50% Property Taxes collected, 50% Retail Sales & Use Tax, Fuel Tax and Investment Interest. Revenues have dropped significantly through the years. The Town of Mansfield will try to sustain the City Street Fund through 2026 by decreasing expenditures and operations.

CRIMINAL JUSTICE 103

For clearer tracking purposes, this fund was separated out of the Current Expense Fund. In 1992, the Town entered into an agreement with Douglas County Sheriff's Department that provides for on call assistance. The town forwards all Criminal Justice Funds received from the State to the Douglas County Sheriffs Department.

In previous years this account was strictly a pass thru account, therefore reflecting a zero balance. In 2025 there will be a remaining balance, due to the new fee schedule presented by the Douglas County Sheriff's office and the Douglas County Commissioners.

The Douglas County Sheriff's office has increased fees for Law Enforcement Services. In 2025 the town council will run a levy lid lift to increase taxes to help offset the increasing rise of costs. If the levy passes the increase will take effect in 2027.

Salaries from this fund include: None

REAL ESTATE EXCISE TAX 105

This fund was established to accommodate Real Estate Excise Tax revenue. Revenues are disbursed by the Douglas County Treasurer as real estate is sold in the town. Since 2005 the distribution amount has changed and a portion of the money is divided between REET and City Assistance, this is done through the County Treasurer. The town of Mansfield will need to use this fund for public safety in 2026 to help meet the cost of Law Enforcement Services.

Salaries from this fund include: None

MANSFIELD CEMETERY FUND 107

This fund was established to accommodate the Mansfield Cemetery becoming its own Special Revenue Fund. Revenues are generated through lease of land that was gifted to the Town of Mansfield when the Mansfield Cemetery Association disbanded, Donations, Plot Fees, Service Fees, Lease fees, and Investment interest.

Salaries from this fund include: 100% Cemetery Groundskeeper

WATER SEWER GARBAGE 401

This is an Enterprise Fund, operations that provide goods or services to the general public and are supported primarily through user charges. The town operates this as a combined fund for Water, Sewer and Garbage.

BOND REDEMPTION FUND 403

This is a transfer fund, receiving transfers out of Water Sewer Garbage 401, to redeem the water project and sewer project loans. The monthly payment on the water loan is \$1,620. The semi-annual payment on the sewer loan is \$8,257. As of 12/00 the payment will be made by an automatic bank debit rather than the manually issued check process.

WATER SEWER BOND RESERVE FUND 405

This is a requirement of our loans through Rural Economic Development. This mandatory transfer from Water Sewer Garbage builds a reserve account that will assist in the redemption of our outstanding loans in years to come. The required reserve amount has been satisfied.

UTILITY DEPOSIT FUND 411

This fund is set up for the holding of customer utility deposits. These funds are not invested. Customers may receive a refund of the deposit after one year of current status or at such time that they move out of the residence.
